KEY
POINT

How you can support your child's learning:

- Reading together regularly - try to make it part of your daily routine - aim for couple pages a night.
- Reading books - every child will receive a reading book and this will be checked and changed twice weekly.
- Spellings will go out on Thursday and be due in Tuesdays - more information to follow soon.
- Talk to your child about what they did - and better still what they learnt at school today.
- PE is on a Monday and Wednesday. They will need a pair of joggers/leggings and trainers as they will do PE outside.

Make sure all clothes are labelled as they become lost very easily

Working together:

- Look forward to talking to you at parents evening in October, where we will be able to discuss your child's learning in detail.
- Every day is very important for your child. Please try to attend each day, as each day really supports your child in reaching their full potential. We also win the attendance trophy each week.
- Please remember to let us know who will collect your child if it is a different person. We will not let them go without knowing who is collecting in advance. Quick message in morning is fine.

Thank you!
