Year 3

- A really exciting time!
- Old enough to start having meaningful conversations, engage with learning, discuss what we discover and be Learning Superheroes, but none of the pressures that can come with Year 5 and 6.
- Building on the fantastic learning that was done in Year 2.
- Encouraged to make the most of all the opportunities available - clubs, sports, drama, music...

OUR
YEAR

Behaviour

- Golden Rules: We are kind & helpful; We work hard; We are honest; We listen; We are gentle; We look after property
- Rewarded with merits and classpoints
- Golden time - chance to play games, draw and have fun on a Friday afternoon. This is earned for good behaviour; repeated failure to follow the Golden Rules results in the loss of golden time
- Playtime & lunchtime issues - dealt with by staff on duty, who report back to teachers; more serious incidents are sent in to a senior member of staff
- Always contact us if you have any concerns

How you can support your child's learning:

- Attendance - everyday matters
- Home learning - maths and spellings every week
 - Set on Thursdays and due in the following Tuesday
 - Support by making sure your child has a quiet space to concentrate
 - Doesn't all need doing in one go - find out what works for you and your child. 5 minutes every day on the way to the school, football or the shops is the best way to learn spellings
 - If your child is stuck, don't panic - just let us know

How you can support your child's learning:

- Reading - either listening to your child read, or encouraging to read independently, then talking about what they've read
- Continuing to learn times table facts (in the car or on the walk to and from school)
- Talk to your child about what they did - and better still what they learnt - at school today
- Finding different ways to engage them in conversation - What made you laugh? What make you smile?
- PE kit in school on a Monday - home on Friday for a wash.
- Club letters will go out tomorrow.

Working together:

- Available every day for a quick chat at the door - contact the office to arrange a meeting if it needs a longer conversation
- Parents evening - October, where we can discuss your child's learning in detail
- Every day of school counts in building your child's learning and helping them to reach their potential, so we're looking forward to working together to make this year as valuable as possible... and hopefully lots of fun, too.
