

All about Year 3/4

curiosity • empathy • co-operation • reflection • perseverance • independence

Rabbit Class

- All Year 3 children. Taught by Mr Humber -I qualified, 18 years ago. I've got a background in history, so that's one of my favourite subjects, and I really like teaching writing. I'm also the school's head of maths, art and history.
- Mr Butler is teaching the class on Wednesday and Thursday for PE.
- Teaching assistants - Mrs Smithers.

Behaviour

- Golden Rules: We are kind & helpful; We work hard; We are honest; We listen; We are gentle; We look after property
- Rewarded with merits and classpoints
- Golden time - chance to play games, draw and have fun on a Friday afternoon. This is earned for good behaviour; repeated failure to follow the Golden Rules results in the loss of golden time
- Playtime & lunchtime issues - dealt with by staff on duty, who report back to teachers; more serious incidents are sent in to a senior member of staff
- Always contact us if you have any concerns

How you can support your child's learning:

- Attendance - every day matters
- Reading - either listening to your child read, or encouraging to read independently, then talking about what they've read
- Continuing to learn times table facts
- Home learning - maths and spellings every week
 - Set on Thursdays and due in the following Tuesday
 - If your child is struggling with home learning, we are more than happy to help during the school day
- Talk to your child about what they did - and better still what they learnt - at school today
- PE kit in school all week

Working together:

- Available every day for a quick chat at the door - contact the office to arrange a meeting if it needs a longer conversation
- Parents evening - October 11th, where we can discuss your child's learning in detail
- Every day of school counts in building your child's learning and helping them to reach their potential, so we're looking forward to working together to make this year as valuable as possible... and hopefully lots of fun, too.
