

I would like to be our class councillor because I am kind and helpful. I think that I am the right person for the job because I try to help everybody. I want to make everyone happy and make sure that we all enjoy coming to school. If you elect me, I would us to have more playtimes, more toys and more fun lessons. I would like us to have choosing time every day, and more PE lessons.

I would like to be our class councillor because I would like to help everyone in class and make sure that no one has any problems. I think that I am the right person for the job because I want everyone to do well in class and achieve their targets this year. If you elect me, I will make sure that we are all helpful to each other, so that we can enjoy coming to school every day!
