

I would like to be our class councillor because I have seen my brother wearing his School Councillor badge, and I want to be like him! I think that I am the right person for this job because I am kind, helpful and nice. If you elect me, I would like to change the rules so that we can have chocolate for snacks and also have more playtime every day. I would also like us to go on a school trip to a soft play centre.

I would like to be our class councillor because I am kind and caring! I think that I am the right person for the job because I am really smart, and always have lots of good ideas about things we can do. I care a lot about my friends, and will work hard to make sure that school is a great place to be. If you elect me, then I would like us to have more animals in school. I think that every class should have a different class pet, so that we can learn about animals and how to look after them.
