Dear parents and carers,

## Year 5/6 Bikeability (Learn to Ride)

In the lead up to the Bikeability course in June, the children will be participating in a 'Learn to Ride' session on Wednesday 23<sup>rd</sup> April. The session aims to develop mastery in cycle handling in an environment off the road. This will take place on the school playground.

If your child has a bike that is in working order please can they bring it to school on Wednesday the 23<sup>rd</sup> of April, along with a cycling helmet that is an appropriate size. A road worthy bike is deemed to have pumped up tires; 2 working brakes; and a suitable size for your child.

The children love taking part in the Bikeability sessions and this will give them the perfect opportunity to learn and practice road safety prior to their transition to secondary school.

Yours sincerely

Mrs Thomas  
PE Leader & Year 6/5 Teacher
