

Bedwell School

Science Fair

Wednesday 29th March

Bedwell Science Fair

In the final week of term, we will be celebrating our Science Week throughout the school. We will be taking part in challenges, workshops and special lessons, building our *Egg Drop* contraptions and meeting lots of animals in sessions with *Teaching Talons*. As part of the week, we'd like to invite parents and carers to join us for our Science Festival, from:

3.20 - 4.30pm on Wednesday 29th March

There will be a series of science activity stations for you to explore with your child, covering everything from electrical circuits to messy mixtures to paper airplanes! There will also be prizes on offer for some of our most intrepid, curious and ingenious scientists! Please head to the playground and join us in the Junior and Infant Halls to take part.
